

PSS2035

PSS Series Position Sensor

Features

- Pin Location
- Ferrous Vane operation
- Repeatability of operation
- 1 housing
- Fully encapsulated

Comments

- Robust Nylon Housing
- Change over Contacts
- Surface Mounted by fixing screws
- Fully encapsulated
- Integral magnet

Applications

- Door Interlocks
- Material Handling
- Security Systems
- Position Interlocks
- Position Indication

PSS 2035

PSS Series | Position Sensor

Material

Housing Material	Glass Filled Nylon 6.6
Contact Material	Ruthenium
Housing Colour	Black

Switching

Max Switching Voltage VDC	175
Max Switching Current Amps	0.28
Contact Form	C

Cable

Cable Length	3 x 0.5M
Cable Type	22 AWG, PVC insulated
Cable Colour	Blue/Black/Yellow

Mounting

Mounting	Any Axis
